From

Sri M.G.RAJA RAM, I.A.S.
Collector of South Kanara.

The Secretary to the Government,
Health, Education and Local
Administration Department,
Fort St.George Madras 9
(In duplicate)

Sir,

Sub: LAND ACQUISITION- (South Kanara)- Belthangady taluk-Thumbe and Kallige villages- S.Nos.42/4: 24 etc- Mangalore water supply scheme for laying pumping mains--Draft notification under section 4(1) and Draft Declaration under section 6 of the LAND Acquisition Act- Proposals- submitted--Approval requested.

The Assistant Engineer, Public Health, Sub Division, Mangalore has applied for the acquisition of portions of S.No. 42/4, 24, 3: 6: 1: 45/2A1, 2B1, 4, 1B, 7B, 83/1B of Thumbe village and S.No.77/3B2 of Kallige village both in Belthangady taluk of this district. S.Nos.42/4E, 42/1B of Thumbe village and S.No. 77/3B2 of Kallige village stand registered as garden in the revenue accounts. S.No.42/4B of Thumbe village contains only two coconut trees and the other two plots do not contain any trees at all. The plots do not contain any religious edifices, tombs or grave yards. The plots are either arable or waste lands. The Assistant Engineer requests that the plots may be acquired urgently by applying the provisions of section 17 of the Land Acquisition Act so as to enable him to push through the work expeditiously. The total extent of all the plots is about 110800 sq. links. The correct extent will be notified to the parties under section 9 and 10 of the Land Acquisition Act after technical scrutiny of the sub division records by the District Surveyor. The approximate cost of acquisition is about Rs.200/-

2. In view of the fact that the work of laying pumping mains has to be executed expeditiously and that the plots sought to be acquired do not contain any substantial improvements or any other buildings I consider that the enquiry under section 5A of the Land Acquisition Act may be dispensed with under section 17(1) of the Act.

3. I submit herewith draft notification under section 4(1) and draft Declaration under section 6 of the Land Acquisition Act both in duplicate therein pro vi clause under section 17(1) of the said Act. Both of them may be approved and ordered to be

published in the Fort St. George Gazette.

A topo sketch of the plots proposed to be acquired is enclosed for perusal and return.

Yours faithfully,

11.6.55.
